A screenshot of a mobile application form titled "General Form". The form contains several input fields: "Name" (with the text "R Oza edit"), "Address" (with the text "Surat"), "Gender" (with radio buttons for "Male" and "Female", where "Male" is selected), "Age", "Birth", "Email", and "Mobile No.". There is a "Languages" section with checkboxes for "English" (checked), "Chinese", and "Hindi" (checked). A "Password" field is at the bottom. A blue "Submit" button is located at the bottom right. A small error message "Array to string conversion" with an "Ok" button is overlaid on the form.
